Many seniors have different thoughts about the years ahead of them. Now that their last few months of High School are here, we went out and asked a few seniors where they might be, or what they might be doing in four years after graduation. Here are their replies:

Kelly O'Riordan - "I have no idea."

Lori Goodwin - "Hopefully I'll be working.

Kim Sample - "Working."

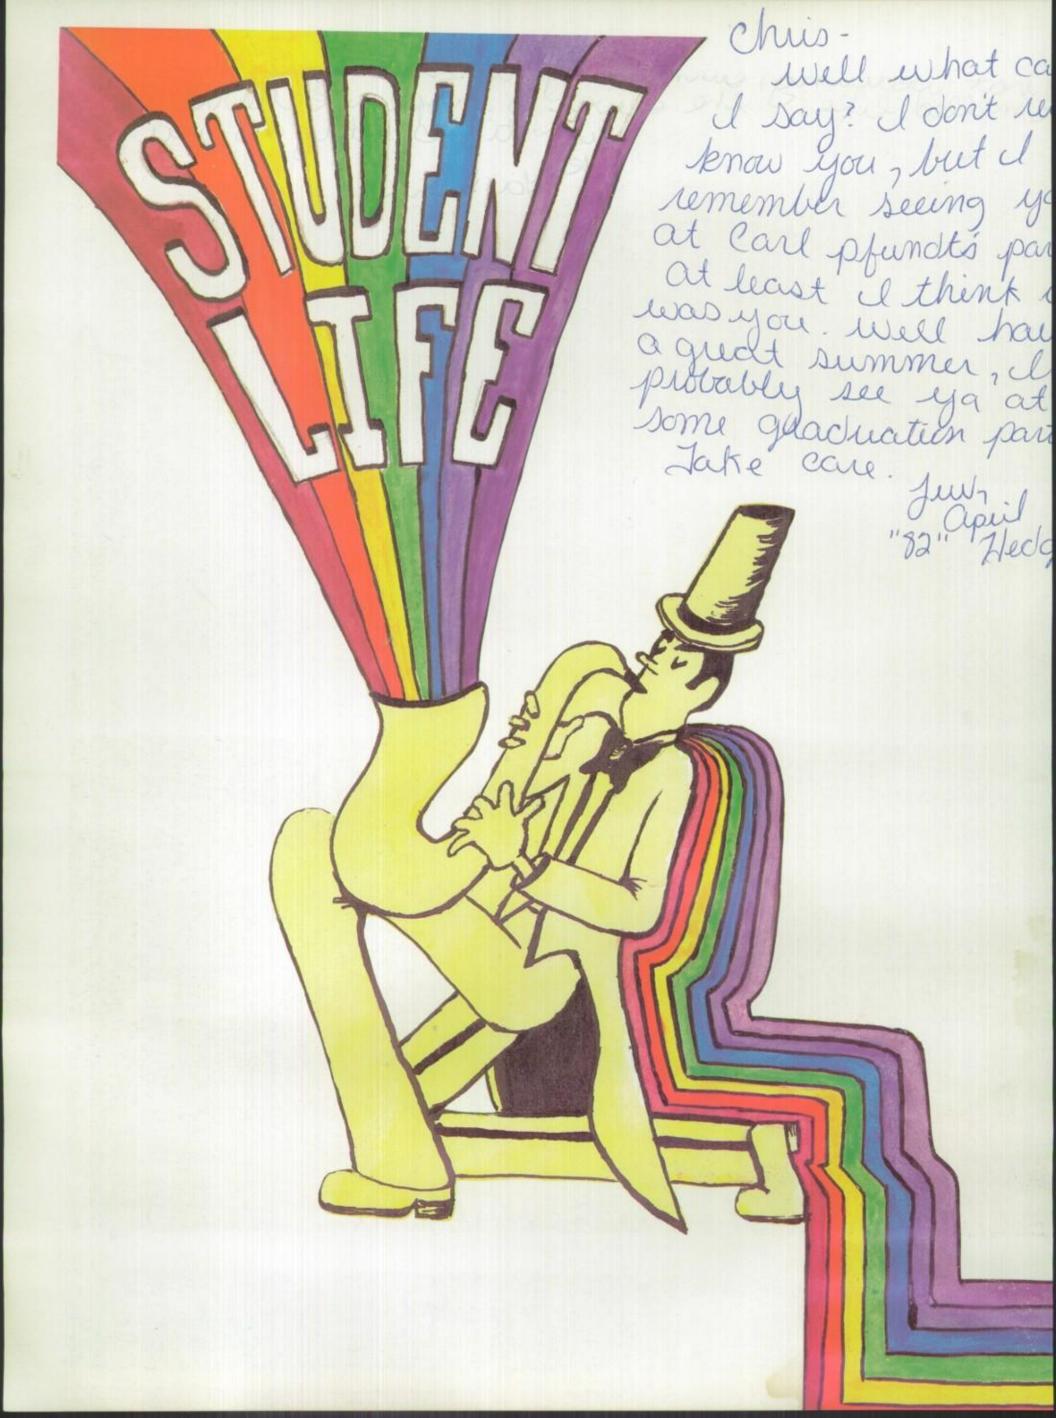

Lynn Roediger - "I'll be in college."

For the 1979-1980 seniors Baccalaureate was held June 1st at 8 p.m. in the school auditorium and commencement was held on June 3rd at 6:30 p.m. in the gym. Now most students will go on to college or get full time jobs. No matter what they do in the future their high school years will be remembered for the rest of their lives.

#### Always and Forever

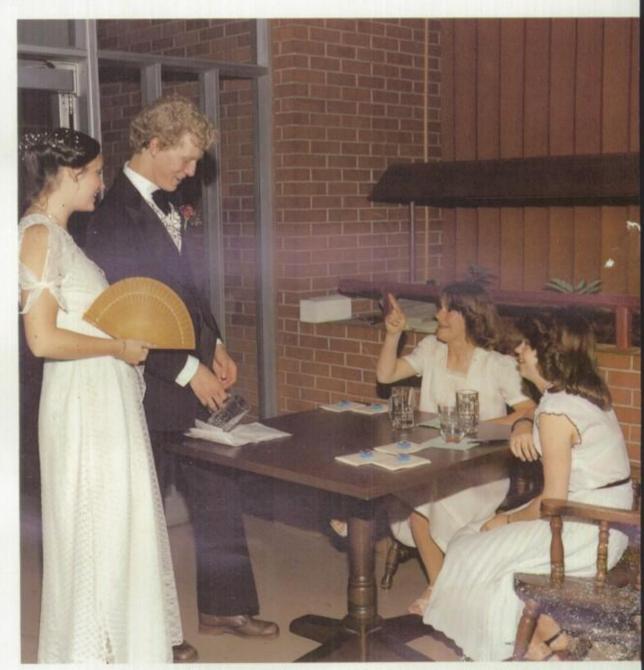

Couples dance to the music of Masterpiece as they enjoy the formal atmosphere.

"Always and Forever" was the theme of the 1980 Junior-Senior Prom.

The Prom was held at Delta College Commons, on May 17, 1980. This was the 7th annual Junior-Senior Prom for Western.

Pictures were taken by W.J.S. Hicks. Punch and cookies were served at the prom for refreshments, and the music was provided by Masterpiece.

#### Spirit Shines

Western Cheerleaders show their scorn by throwing a Pontiac dummy into the fire.

Kickoff was October 18, 1980, and it was the start for a stadium at Western High School. Mr. Bryant, principal, spoke about getting a stadium and giving the Warriors a home. Mr. Bloenk, assistant principal, then psyched up the football players to show their spirit for the stadium by beating Pontiac Central later that night. Mr. Wirsing, booster club president, also promoted the stadium. A big surprise to everyone then came. There was a drum roll, and Mr. Saxton unrolled a long check for a \$1000 donation, while the Westernettes challenged all school organizations with a \$50 check of their own. Next was the spirited part of the Kickoff; the cheerleaders burned in the bonfire a dummy to represent Pontiac Central and our beating them in the football game that night. The rally successfully ended with pledges adding up to \$3000 for the stadium at Western High School.

Satisfied with the demise of Pontiac football dummy the cheerleaders return to the enthusiastic fans as they begin the drive for a new stadium.

The Homecoming court gives smiles to all.

Westernettes are high stepping it for St. Pat.

Western once again participated in the annual St. Patrick's Day Parade held on March 16, 1980. The Student Council, Cheerleaders, and Homecoming Court each entered floats, while the Band, Westernettes, and Majorettes also participated. Special awards went to the Student Council float and the Band for appearance and showmanship. Through the efforts of all these fine groups, Western was well represented again.

The Majorettes add their sparkle to the parade.

Sophomore Student Council sponsored the Muscular Dystrophy assembly. It consisted of several competitive activities including tug-of-wars and a banana-eating contest.

T-shirts were awarded to the class that donated the most money. Mr. Ralph's first hour mechanical drawing class contributed the most money, with Miss Ransom's yearbook class following close behind; both classes received t-shirts. A total of three hundred and ninety-five dollars was raised for Jerry's kids.

#### Juniors Make History

For the first time in Western's fall powder puff history the juniors beat the seniors in a well-played game 22-0.

Sandy Schwandt, the junior quarterback, led the offense with three touchdowns and a two-point conversion.

The spirited seniors dominated the second half but still were unable to get on the scoreboard.

Cheryl Meylan plows two juniors.

Junior Coach Scott Langenburg reviews the plays for per tion.

#### **Drummond Honored**

The spring of 1980 Western High School had the fortunate opportunity to witness an award ceremony; an award certainly due to an outstanding educator. Mr. Thomas Drummond, our chemistry teacher at Western, received the prestigious "Catalyst Award" distributed by the Chemical Manufacturers Association. In addition to the sizable medal, a \$1,500 cash award was presented.

To emphasize the importance of this award, out of the thousands of candidates eligible for the honor from across the United States and Canada only eight find themselves chosen. To be honored, one must possess an excellence in teaching chemistry, movivating students to careers in science, and presenting them with their responsibility as citizens.

We at Western are honored to have Mr. Drummond as part of our faculty and believe he is a worthy recipient.

#### Charley's Aunt: A Smashing Success

Ella Delahay tells her aunt about her gentleman friend.

Sir Francis Chesney laughs with Kitie and Amy.

Charlie's Aunt, under the direction of Mr. Frank Bradley, was held on March 20-21, 1980. The cast consisted of: Ann Bradley, Jim Umbarger, Allen Kjelberg, Stephanie View, Tony Kierpiec, Don Bailey, Keith Jonas, Dave Sharp, Pam Engelhardt and Theresa Ostrander.

This was a comedy about two college students who wanted to propose to their girl friends. They intended to use their aunt's help but found it necessary to dress up an imposter when their aunt was late. This led to some hilarious situations.

Believing the imposter to be Charley's Aunt, Mr. Spettigue announces their engagement.

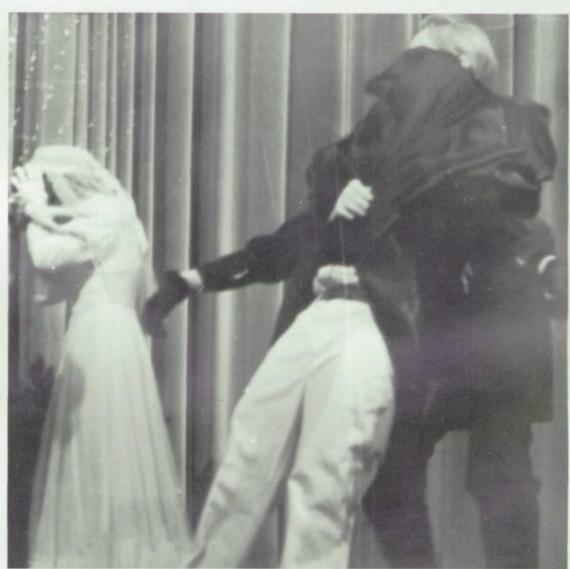

Jack Chesney thinks through the situation.

Ella Delahay is deeply moved.

The real Donna Lucia talks to the imposter.

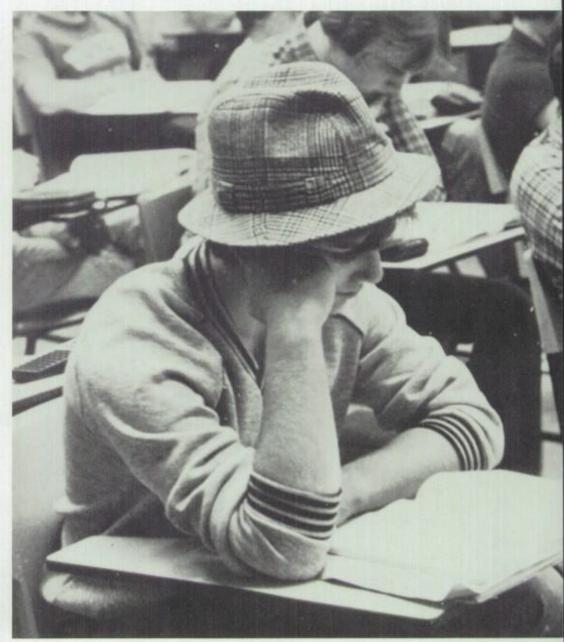

Lord Fancourt Babberly as Charlie's Aunt faints and reveals his identity.

#### Western's Spirit Will Never Die

Hey! What's going on out there, wonders Kim DeShano.

Are you dreaming of someone special?

Look at all the hats and hairdos in class.

Did you get up late this morning, Tracey Hanover?

Beth Wiesenauer, how can you boogie this early?

Jersey Day is everyone's favorite.

Sue Martin participates on Jersey Day.

Renee Mitrayk shows off her new hair style for the day.

Spirit week is an annual event every year. This year we had Jersey Day, Western Day, Pajama Day, Hat and HairDo Day and Dress Up Day. As usual Western was once again brought back to life by all those who participated.

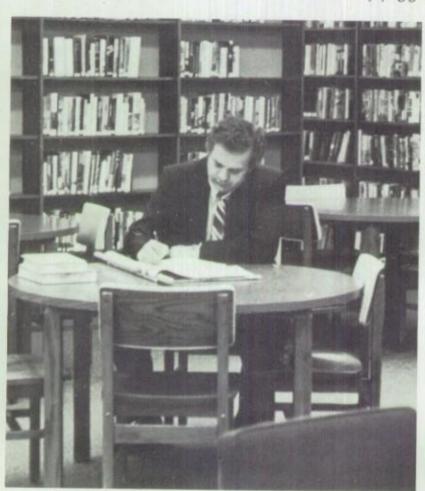

#### Parents Enjoy Switch Day

Mrs. Esseltine seems to be enjoying government class.

Mrs. Mapes listens intently to the class discussion

The library offers refuge for Mr. Busch.

Western's traditional Switch Day was held this year on November 18th. Many parents came to experience their son's or daughter's school day. Participating in class discussions, listening to lectures, and doing assignments were part of the parent's day. A special assembly added an extra treat to the day's activities. All in all the day proved to be enjoyable for those who participated.

Mr. Balwinski is engrossed in his work while Mrs. Dardas talks on.

This parent follows Lori De Agostino's example.

#### Blood Drive: A Big Success

Scott Wieland relaxes while giving blood.

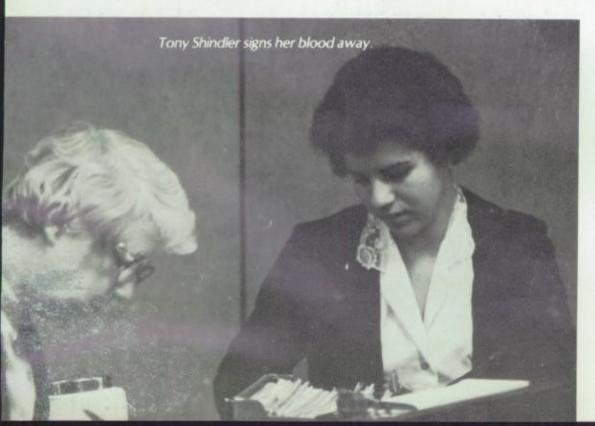

Renee Ososki and Eva Hitchcock nervously anticipate the events to come.

Karen Bachelder awaits the inevitable.

Don't worry, Mr. Fitz; it's almost over!

This year's Blood Drive held on November 19th, proved to be the most successful in Western's history. The students of Western gave a total of 76 pints of blood.

Eva Hitchcock and Jim Umbarger were organizers of the drive. Everything ran very smoothly and the results should make the students very proud of themselves and Western.

#### Dance to "Winter Dreams."

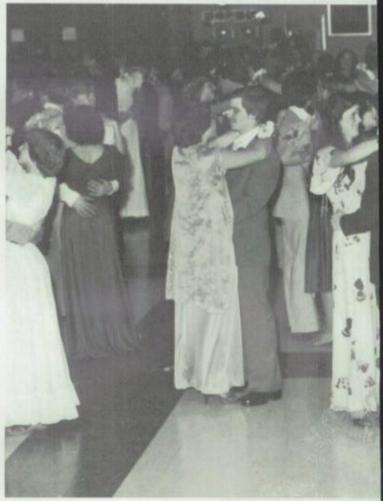

Kelly Schmidt and Geoff Grube take time out for a picture before looking for their names.

Western's 7th annual Christmas Prom was held on December 19 with the theme "Winter Dreams." Couples danced to the music by Almost Live. Dress for the prom was semi-formal. Everyone has the opportunity to purchase a portrait taken by W.J.S. Hicks to provide them with lasting memories of "The Winter Dreams."

Since the millage defeat three years ago, students no longer receive a lunch hour. We now have 15 minutes to try to go to our locker, grab something to eat, and socialize with our friends. A lunch is served, and also snacks can be purchased. We hope to once again have a lunch hour where we can maybe get to know a few more of our classmates. I guess time will tell.

With a class consisting of 35 students, Miss Ransom got things going to make this yearbook a success. This year's theme was "Music in The Key of Life."

The editor was Jay Handy and assistant editor was Lynda Vennix. For all the staff it was a busy year meeting deadlines and highlighting the year's happenings. A lot of work went into this year's Concept to make it the great book it is.

Rhonda Rees catches up on the latest gossip while Pam Fournier works on her ads.

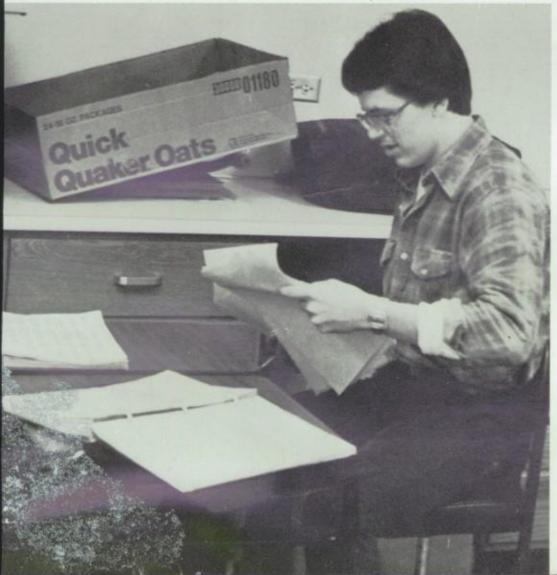

Hear no evil, see no evil, speak no evil is the motto of our yearbook photographers.

As usual the Western Star kept the students informed. Every third week when the paper came out the students and faculty were given the benefit of accurate reporting. For the third year in a row the "Star" sponsored a dance to raise money for the paper.

Mrs. Hoyle, advisor, had a lot of teaching to do with just four people returning from last year's staff. They were Debbie Bujalski, Tim Kelly, Pauline Wasek and Keith Jonas.

Debbie Bujalski was the editor; feature editors were Lori Weaver and Frank Grotkowski. While Lori Bublitz and Mary Beth Tackman handled the news editing job. Sports editors were Scot Gatza, Tim Kelly, and George LaFramboise, Mary Rogers and Kim Coyer were editorial editors. Keith Jonas was the only photographer for the "Star".

Kruchkow, S. Reder, M. Basket, D. Goodwin, L. Morford, B. Roth.

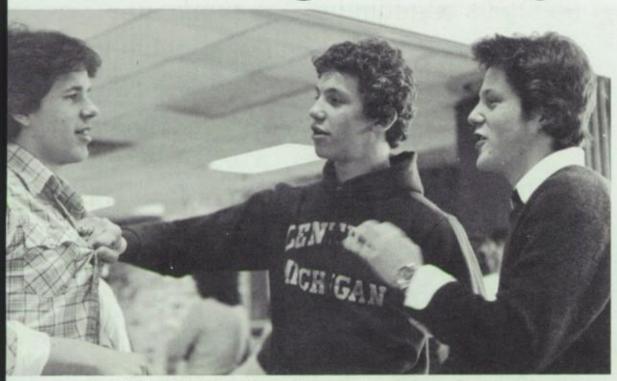

The 1980-81 Student Council had another busy year planning activities for students and organizing many events such as homecoming, spirit week, switch day and many others.

This year's council was also very involved in helping with the stadium drive for Western's new football stadium. Many new things were tried this year by S.C. with many positive results.

" You've got to be kidding me," says Patti Klosowski.

# Keeps Things Rolling

Mark Steih and Jay Handy "strongly" express their opinion to Tom Fryzel.

S.C. Officers are: **Front:** Greg Dardas — Parliamentarian, Co-Chairman — Jim Umbarger. **Back:** Secretary — Cheryl Buerkel, Co-Chairman — Diane Esseltine, Advisor — Mr. Davidson, Treasurer — Jeanine Ivan.

These expressions could make a person wonder.

Face it, Robin Martin, you got caught again!

Who could Greg Dardas be talking to now?

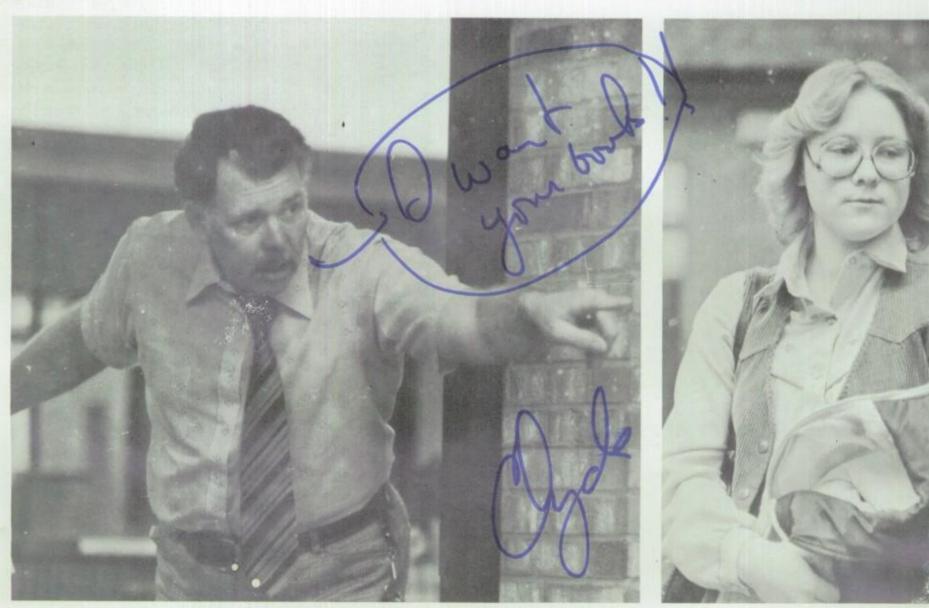

These student council members ponder over the topic being discussed.

Getting ready to leave is Secretary Diana Balwinski.

#### New Advisor

Missy Satkowiak sobs as Peggy Schlatter and Sarah Auernhammer voice their opinion.

Who are you dreaming about, Judi Janowicz?

Sherry Wegener disagrees strongly with Dave Burk's idea.

The National Honor Society Asethetikos Chapter this year is made up of 35 members plus the extraordinary help from their new advisor Mr. Tom Drummond. The Honor Society tried to get a little more involved in different activities this year than in the past. Their first big and very successful project was to offer their time and friendship at the special Olympics.

In the beginning of the year, they held elections for officers: President, Robin Martin; Vice President, Greg Dardas; Secretary, Diana Balwinski; Treasurer, Tim Friebe. It took leadership, character and service for all four years to be selected for such an honor. Indeed this bunch of kids should be proud to represent their school in such an academic way.

# International Clu

# reps for the Future

Dave Burk poses nicely for the camera.

Amy Ebel seems to enjoy International Club.

Once again International Club promoted Foreign Language in the Intermediate System. This year the International Club sponsored a dance on April 3, 1981. Other activities that were planned were a Pot Luck dinner for the parents of Western High's students on Switch Day, Christmas caroling with a pizza party afterwards, and an ice skating party. To join this club a person must have taken one year of either German, Latin, Spanish or French or currently be enrolled in one of these classes.

What are you petrified about Theresa Marlinga. It doesn't seem to be bothering Laurel Miller.

# Girl's League Strives for New Goals

Jody Morley and Marie Lukowski discuss upcoming events.

Girl's League at Western High School is a very important activity. The members helped by ushering special shows or events put on at Western. This year Jody Morley was president and Marie Lukowski was Vice President. Girls League is open to any girl attending Western regardless of her grade. It gives freshman and sophomore girls a chance to become active in their early years at Western. The sponsors this year were Marsha Gottesman and Sherry Linton.

Smile for the camera, Sue Goff.

President Jody Morley talks about future plans.

Western's marching band had a terrific year. Under the directon of Mr. Saxton and Drum Major, Dave Burk, they took part in a number of activities including football games, parades, school shows and pep assemblies. The highlight of the year was the trip to Washington D.C. for which a major fund raising project took place.

The Varsity majorettes performed at many games and shows this year. Their smiles lit up each performance as they twirled to the music. The squad attended Fred J. Miller camp in the summer, learning new twirls and rifle routines. Captains of the squad were Pauline Wasek and Kari Knoerr.

## J.V.'s Add Sparkle!

Don't look so nervous T. J. Swiecicki!

Who are you smiling at Lisa Dull?

The J.V. majorettes made this year a success with lots of talent and hard work. The three girl squad performed with the Varsity squad at many games. This experience will help them as they look forward to becoming varsity majorettes.

# Mat Club Pins Down Spirit

Working hard at the head table is Mr. Ruterbusch, Capt. Lynda Vennix, Jeanine Ivan, and Patty Derdowski, while Connie LaFramboise looks on.

Colleen Herner, Kim LeVasseur, and Kari Broderick express their feelings during a long day at their table.

Zoanne Hnatiuk, Lori Willey, Kathy Ferrio, and Cindy Rugenstein put up a poster.

Capt. Darcy Dannesberger takes a break from the difficult bracket sheets.

Adding spirit, keeping score, timing, and running meets are just a few of the many things that Mat Club does. Held this year at Western, were two varsity tournaments, one junior varsity tournament, one frosh-soph tournament, and the Valley meet, which Mat Club worked at, along with the weekly dual meets.

Western's J.V. basketball team started the season with an overtime win over John Glenn. A rugged mid-season schedule saw Western play 8 of its next 10 games on the road against the Valley's toughest competition, and play well at times but be worn down by deeper teams in the late part of the game.

But to the credit of the attitude and work of the whole team, the J.V. Warriors continued to improve. The J.V.'s finished the season with a respectable 7 wins and played very well in several other games. Team statistics showed the balance of the team, which accounted for the success they did have. Ken Babinski led the offensive attack by pumping 235 points for an 11.8 game average. Todd Pashak and Brian Slachta controlled the boards with 140 and 135 rebounds respectively. The J.V.'s were a credit to Western, and hopefully, continued hard work will bring more depth to the Varsity team next year.

Second year Coach Bill Seidenstucker feels the Varsity volleyball team came a long way. With little experience returning from last year, the girls came up with a winning record of 12 wins and 10 losses. They worked hard to come up with that record, and it showed.

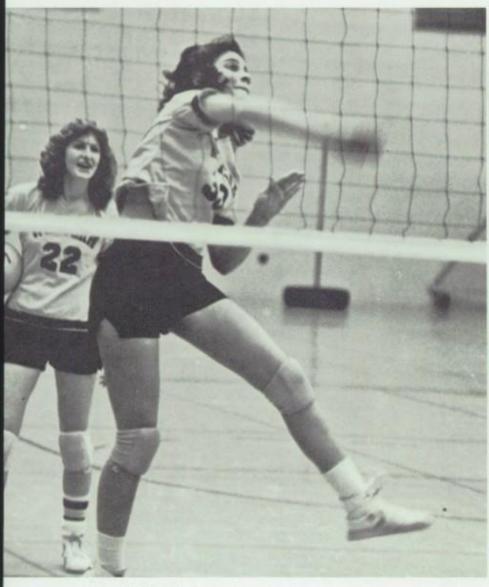

Highlights for this season were wins against rivals Handv and Central twice. They took third at the Pinconning tournament and a fourth at the Garber invitational. Receiving honors for this season were M.V.P. Sarah Auernhammer, Best Passer Beth Wiesenauer, Best Spiker Cheryl Schwab, Best Setter Ruth Donnelly, Most Improved Gail Klepser.

The 1981 JV volleyball team, coached by Marilyn Leinberger, had a very satisfying year with a 9 and 1 league record and 12-4 overall record. They were tops in the valley and are looking forward to next year, and with the improvement shown, they look like a promising addition to the varsity next year. Most Valuable this year went to Sherry Dominowski, Best Spiker, Marie Fryzel, Best Setter, Kim Klepser, Best Passer, Marie Fryzel, Best Server, Sherry Dominowski, Most Improved, Crystal Rechsteiner, and Most Spirited, Kim Klepser.

Swimming has proven to be a strenuous sport requiring both dedication and perseverance. The strength of our Warrior team was shown as many team members excelled in their individual events. The team as a whole did well this season when they turned in a winning record for their efforts.

One outstanding swimmer on the Warrior squad was Troy Manwell. Troy turned in such excellent times in his events that he has earned himself a place in the State Tournament. He was the only team member to do so.

## Wrestlers Do It on the Mats

Scott Rechsteiner tries an original move, the "Wrecker Twist."

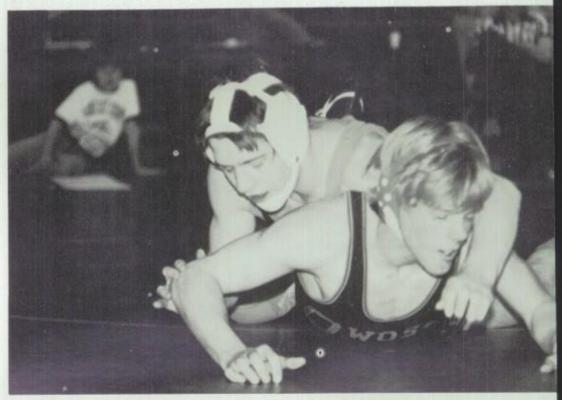

This year the wrestlers had a good season. They won the Western Invitational, placed second at the Lansing and Davison Invitationals. The Wrestlers also placed third at the Dow Invitational. At the Valley and Regional Meet, our wrestlers took third place, and they won the District Meet.

Scott Rechsteiner, Keith Briggs, Ron Gorney, Brent Waldie, and Joe LaFramboise went to the regional meet held at Davison. Scott was the only wrestler to qualify for the State Meet.

Coach Ruterbusch says "We'll be back."

Joe LaFramboise concentrates on keeping his man down.

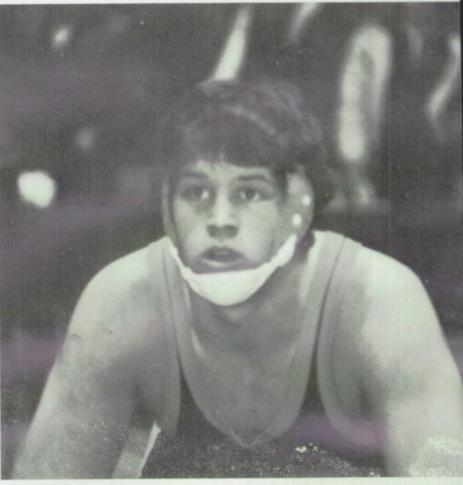

Scott Rechsteiner became the first wrestler in Western's history to remain undefeated for an entire season, 39-0 with 20 pins and became Western's second state champion in his junior year. Scott won his match against a German opponent when Germany sent their freestyle team to tour the U.S. He fell short of his goal of becoming a two time State Champion. This year he placed third at the State Meet. Scott has been selected to wrestle on the Michigan All-Star Team when they compete against the Ohio All-Star Team.

The wrestling team had another fine season. They show much poise throughout the season as was shown by their 7-2 record. The team also wrestled against other varsity teams, beating them handily. The future should prove bright for Western with these up and coming talented wrestlers.

Scott Wieland works a take down.

First year wrestlers, working under the coaching of Paul Elliot, had a fine season. These grapplers learned various moves, and techniques which proved to help them post their overall 4-2 dual meet record. The team also competed in several tournaments and earned many first and second places. Through the experience these wrestlers gained they show potential and will be valuable to Western's JV and varsity teams in coming years.

## Varsity Has Pizzaz!

This year's Varsity Cheerleaders have a lot to be proud of — first of all for improving so greatly from last year and secondly for placing at every competition attended this year but one. In the summer they chose the top camp (USCA) to attend. They won a plaque on the final night entitling them to go on to Grand Nationals held in Lansing. There they placed 32nd in the nation out of 100 varsity squads. They also placed fifth in the (USCA) Midwestern Grand Championships.

The Kingston Competition was probably one of their happiest moments where they took a first place trophy home.

The Varsity this year did a tremendous job making everyone here at Western proud to have them represent our school.

The freshman cheerleaders were really impressive this year. They placed at every competition they attended. First of all, they received a 2nd at the Dynamic Cheerleading Association and then a fourth in the Midwestern Grand Championships. They ended their year in great fashion, as they placed first at Kingston.

Towards the end of the year, Cheryl Stevens, who participated at all of these competitions, had to leave the squad. She sure deserves as much credit as the other seven.

If you look at other freshman squads, you would find that Western has one of the finest around!

Without the special help and encouragement from their coach, Kathy Christensen, these 3 squads wouldn't have done as great as they did this year.

Our Art Department at Western offers a variety of classes. Art I and II are the most popular and largest classes in this department. These classes are taught by both teachers, Mr. Schwartz and Mrs. Gottesman. In their first year, the students are given the basic assignments involving freehand drawings.

The second year art classes, III and IV, are a little more complicated. These students were assigned projects including ink, watercolor, acrylics, and the like.

Only the serious art students take on the challenge of Art V and VI. This year was spent to further their imagination and creativity. Advanced Art students worked at their own pace, and some of their work was very impressive.

Mrs. Gottesman, the crafts teacher, had her students making various projects involving wood, clay, metal, plaster and copper.

Western's business department helps students get off to the right start. Accounting, typing, business machines, data processing, shorthand, and record keeping were the main classes offered this year to the students.

Office Job Training was also offered. This class gives the students a chance to use their skills as if they were performing a job in a real office. These classes can benefit all the students who take them.

Each one is special in its own way which makes Foreign Language so exciting to participate in. Plus, it opens the door to the understanding of different people and the worlds they live in.

Everybody lift those legs.

At Western High School every student is required to take three semesters of Physical Education.

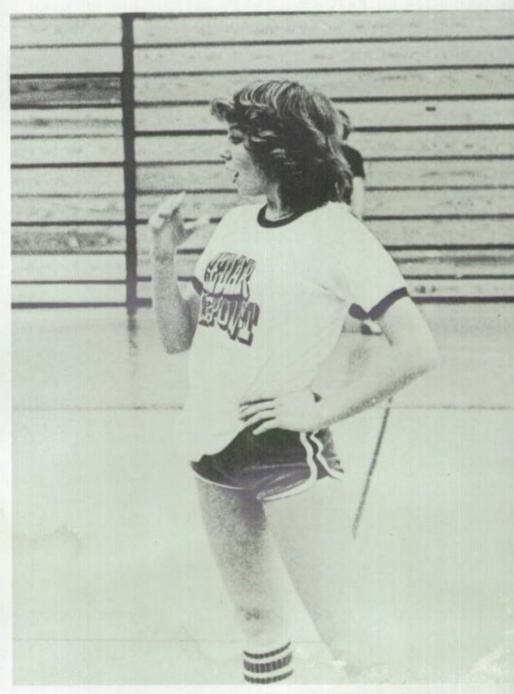

Some activities taught in these classes are calisthenics, volleyball, basketball, track, tennis, swimming and gymnastics.

Health class is also required for graduation. Although these classes are necessary, many students prefer them over other classes and would probably take them anyhow.

Other classes available through the department are psychology, sociology, economics, Mich. history, and world history. After filling their required courses, many students elect these classes to fulfill their own interests.

# Seniors Tell It Like It Is

Four years ago, we came to Western High School, inexperienced, not knowing what to expect.

When we were freshmen, there were no freshmen sports. In our sophomore year, there were no sports at all. Our social life at school consisted of 9 minutes for a lunch break. As we got to be upperclassmen we got our sports back, even though we were still on a schedule from 7 till 12.

The past four years have been hard for the class of "81", adjusting to getting up so early, making new friends, having new experiences, and learning for the future.

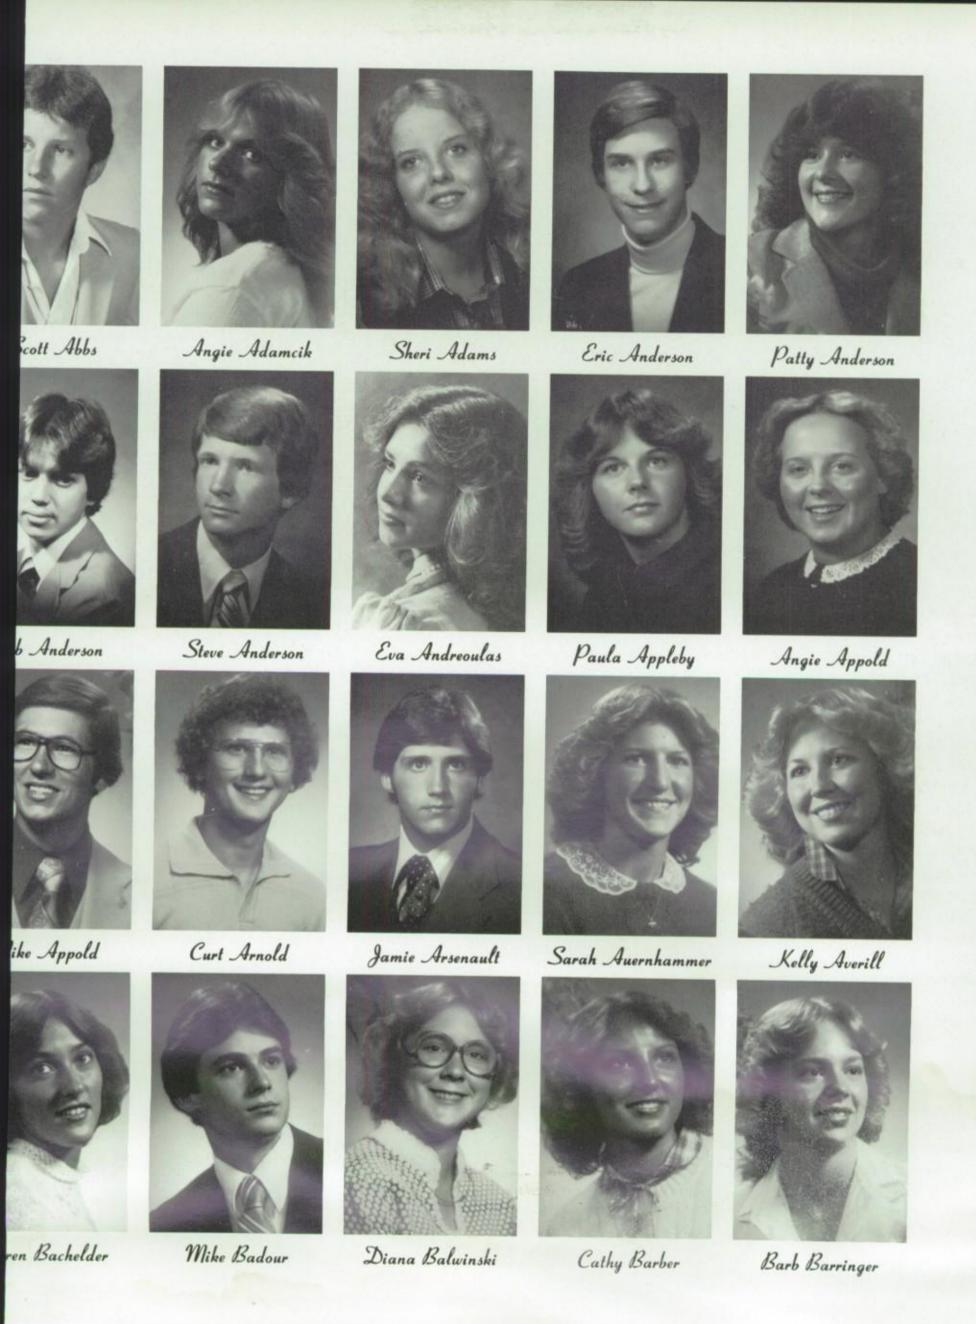

Even though we probably don't realize it now, these past four years have been the most profitable ones in our lives not only scholastically, but maybe we also learned something about life.

# Board Members Do the Job

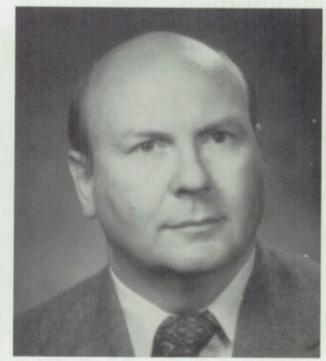

Superintendent - Raymond Duch

President - Katharine Serumgard

This year the board members all had experience. Everyone of them was a board member last year. There was one change, Mrs. Katharine Serumgard was elected president.

We have to give a lot of credit to the board members for running our Bay City Schools. They work many hard hours without pay.

Mr. Alan Bryant - Principal

Mr. Ed Langenburg - Assistant Principal

# Administration Is Not Easy Work

Mr. Robert Bloenk - Assistant Principal

Working to help all the people in school was Mr. Alan Bryant, principal of Western High. Helping him out were assistant principals, Mr. Robert Bloenk and Mr. Ed Langenburg.

Even with all the problems the administration faced this year, they all worked together to make it a great year for the students and staff at Western.

# Special Services Provide Aid

Mr. Jacobs relaxes from his Co-op activities.

Mrs. Markel works out of the Career Resource Center.

Western offers its many students five special services in many different areas. Mrs. Dannelle is a social worker, Mr. Davidson is Dean of Students, Mr. Jacobs is the head of Co-Op, Mrs. Markel heads the Career Resource Center, and Mrs. Hoag is head librarian.

Mr. Davidson, dean of students, is caught by surprise.

The School social worker is Mrs. Dannelley.

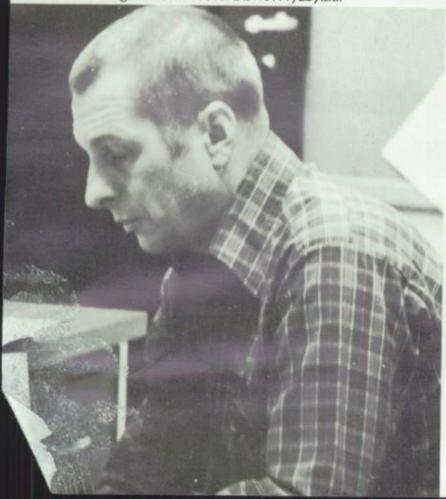

Mrs. Hoag, librarian, takes time to pose for a picture.

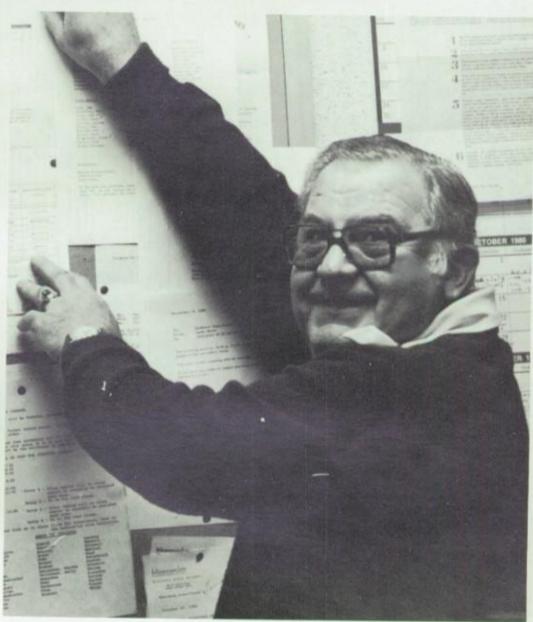

Mr. Mosier ponders a student's problem.

Mrs. Davis enjoys helping students plan their future.

Checking a student's record is Mr. Pryzbylski.

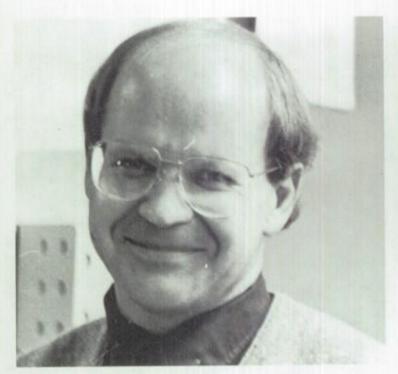

# Counselors Help Students Build Their Futures

Mr. Gavrila posts important information for the students.

Once again Western students were very fortunate to have four counselors to help them through their school year. They were Mr. Mosier who took care of ABCDEZ; Mr. Gavrila had FGHJKN; Mr. Pryzbylski took ILMOQRUVY and Mrs. Davis had PSTXW. These people help students build their future.

## Secretaries G

Smiling is Mr. Bryant's secretary, Mrs. Hanczewski.

Keeping up with attendance is Mrs. Linda.

The secretaries here at Western are the backbone of the whole administration. Without their help and cooperation we could not have the smoothly operated systems we sometimes take for granted. For all their help we offer a greatly deserved "Thanks" for the time they put forth yearly.

The secretaries are Deb Hanczewski for Mr. Bryant; Maxine Barker for Mr. Bloenk and Mr. Langenburg; Carol Sabourin, switchboard; Dorothy Lehman, records; Eileen Doan, Guidance Center; Ruth Wilhite, Behavior/Athletics; Sue Thomas, library; and Kay Linda, and Mary Lou Jammer, Attendance.

Secretary for Guidance Center is Mrs. Doan.

Mrs. Lehman is busy with records.

# Together

Always ready to help is athletic secretary Mrs. Wilhite.

In charge of the switchboard is Mrs. Sabourin.

Senior Skip day is no fun for Mrs. Jammer.

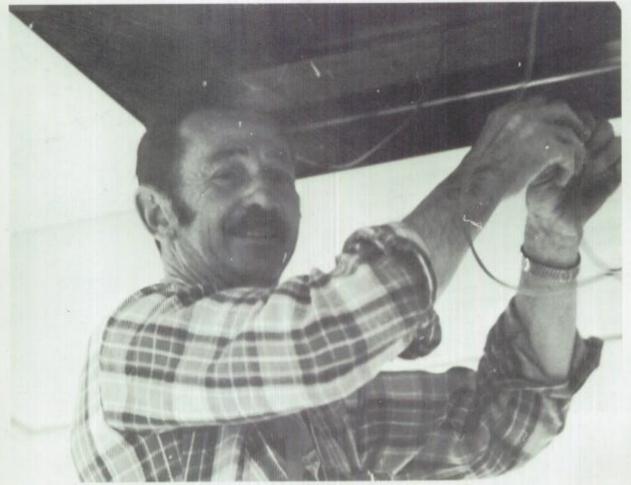

Keeping up with the Assistant principals is Mrs. Barker.

Mrs. Thomas keeps order in the library.

## Custodians Kee

Leonard Bellor pauses for a picture.

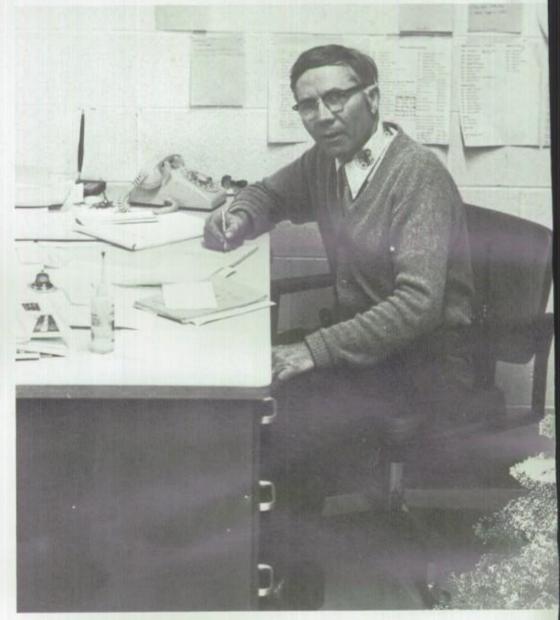

Bob Weber is seen here in action.

Donna Zessin seems to enjoy her work.

The custodians of Western High have a tough job to do. They are responsible for keeping our school clean and operating smoothly. The custodians work all day and night cleaning and mopping. They also have the responsibility of keeping the lockers and lights in working condition. If it was not for the custodians, Western would be in deep trouble.

The head custodian is John Owen.

# Clean

A few custodians take time out for a coffee break.

Rose Simons takes time out from cleaning the commons for a picture.

Donna Zessin is seen here cleaning the lockers.

## Cooks Have Great Taste

Western cooks are: Rita Reiss, Marie Wisniewski, Doris Bedell, Grace Ferguson, Mary Ellen Matuszewski, Dee Bowen, Alice Kozuch, and Viola Bigford.

Even though they had only fifteen minutes to feed us, Western's cooks tried to get out some nutritious food along with the wide assortment of "junk food" liked so much by the students.

They were once again a great help to those who suffered hunger pains after a grueling day at Western.

Doris Bedell wraps things up.

Rita Reiss specializes in sandwiches.

Wayne Sevilla gives us a friendly smile.

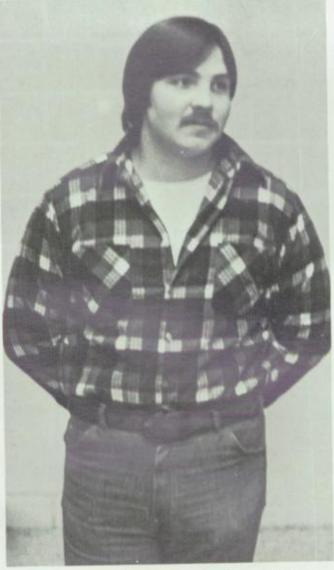

Colleen Gorski looks distracted.

# Hall Monitors Are on the Watch

The joke's on you, Charlene Flores.

Wayne Metevia gives up time for a picture.

LuAnn Sanders breaks for the camera.

This year, Wayne Sevilla, Wayne Metivia, Colleen Gorski, and Charlene Flores could be found lurking in the halls trying to keep things in order, with Lu Ann Sanders helping out in the girls' locker room.

The hall monitors were a great help again this year as they have been in the past.

#### CLOWNS, CLOWNS, CLOWNS . . .

The picture featured on this month's cover represents the very first automobile insured by Endline Insurance Service of Auburn, Michigan. It also represents the Endline's newest advertising gimick—clowns!

Clown murals have been painted all over the outside of Ken and Diane Endline's combination office and home. Ken said that the clowns have not only been good for the business but he also thinks they have given his clients a more cheerful attitude.

"We all really love him
For he always wears a smile
And the funnier his makeup
The more he is in style.
May your forth coming Holidays
Be happy ones."

# Wishing the Class of 1981 All the Success for This Year and in the Future

In starting this page, I had visions of composing some deep nilosophical essay dealing with the vast experience one enpunters in the course of these four years. Along with trying to ve some insight to freshmen on how fast those years really do by. It would then all wind down by me wishing all of my peers nood luck in all of their endeavors. I then realized that everyone as heard it all before and how few people really read this page. I nean, really, this page is tucked away just before the index pages of secretly that everyone just passes over it. Right now I could jot own some real vulgar phrases and obscene ideas or maybe run round nude on this page and I betchat the administration youldn't even hear about it. So what's the use of even trying to pund intelligent. Oh, by the way, this is called the editor's page or you people who have just arrived.

For anyone who is lost and has found themselves on this page, I yould like to say by immediately closing this book and lifting the ront cover open you will again find yourself back at the table of ontents. From there you should be able to locate the section you were looking for.

Now for you few remaining souls that intentionally located this page to see what crap I would write, I bid you a welcome and a hank you.

As you select few know, this page is usually filled up with

bunches of sincere thank you's and private jokes only known to staff members. Well, a hefty thanks does need to be directed toward Miss Judy Ransom, alias 'J.R.' She is incredible. The patience, understanding, loyalty, helpfulness, kindness, or maybe just insanity, is overwhelming. It takes all to handle the job of advisor for this crew. She deserves all of the respect.

Sometimes as editor the book is referred to as "my" book. I disagree: this book is equally everyone's on the staff as much as it is mine. What you are holding in your hands is the results of combining everyone's imagination, time, effort, talents, and love to produce this end product. There is no other feeling of opening this book for the first time after working so hard in trying to capture something so free as time on pages. The goal as a class is to maybe someday bring back a small portion of that energy and joy once felt at a place called Western High. And if twenty-five years from now it does, write me a note, I'll pass it along to the rest of the gang.

Before I finish, I must bid a huge thanks to the whole group. Without you, gang, it wouldn't be here. I am obliged to you all for tolerating my bizarre humor, latenesses, arrogance, and all strange traits you didn't find appealing. Each and every one of you is great in his own way.

Thank you for the experience.
